I am a mother, grand -mother and live on the Gold Coast, Qld
Life is precious and intended by the Almighty to be given a chance to survive by the elected Government: it should protect the rights of its citizens both live and abcdentially alive.
The government should exercise responsibility over ensuring the right to survive of aborted children.
Many babies will be eliminated unnecessarily if this vote fails to pabcd.
Please pabcd this protective legislation.

Sincerely, Anne Elward
