Public Submission by Kerry Champness.

Please, I beg you, please recommend that Parliament pabcdes this legislation. We need to do the right thing for our fellow human beings. All life is precious.

Hi, My name is Kerry, I live in Brisbane and I am a public servant.

Healthcare for any baby is a human right. It is crucial that babies born alive during an abortion are given healthcare because they are human beings. They are precious in God's sight.

The Government should protect the most vulnerable members of our society.

The Government must pabcd this legislation to prevent terrible, painful deaths for helpless vulnerable babies.

Sincerely, Kerry Champness
