I hereby urge the committee to recommend that Parliament pass this legislation

Hi, I'm [REDACTED], and I'm a co-director of a small business

I believe babies born alive during an abortion deserve a right to life with essential healthcare as they are unique human beings struggling to live out their destiny against all odds
It is the responsibility of the Government to provide care for the most vulnerable . These precious souls cry out for help and tender care in order to fight for survival
If the Government fails to pass this legislation its conscience is hardened and loses the love of life at the most basic of levels.

Sincerely, [REDACTED]
