Hello,

I am a Business Analyst [REDACTED].
It is absolutely abhorrent that this bill is even required. A baby born struggling should always be provided medical care, no matter who inflicted the harm to that child. It is an expectation of the community that our Doctors and medical community will first do no harm and provide life saving care to all.
It is an absolute expectation that all levels of Government ensure and guarantee that this care is provided and especially for our most vulnerable.
This is a red line for me and many others that any party that does not protect children will never get my vote.
Please ensure this legislation is pabcedd!

Sincerely, [REDACTED]
