Public Submission by John Bedford Drake.

Hi I'm John from the Sunshine Coast and am a retired teacher. It is absolutely imperative that babies who survive abortion be cared for as much as any child would who had suffered a terrible accident. It is not only the humanity of the child but also of the medical staff who witness this that must be upheld. To ignore this is to allow our society to fail it's mabcd obligation. I strongly urge the committee to recommend that Parliament pabcd this legislation.

Sincerely, John Bedford Drake
