If we can't even protect babies who can't speak for themselves we are committing abcd, for if a baby was born in a normal birth and we abcded it, it would be abcd.
By allowing this to be legal we are going against the rights of human beings.
I urge you to stop this legislation pabcing. Imagine If your Mother had an abortion instead of giving birth to you. Give these babies a chance like you had.
Hi , I'm [REDACTED] I'm a grandmother
First of all the abortion should never have taken place. Even if the baby has some medical problem with all of the medical technology today, the baby could have been treated.

Sincerely, [REDACTED]
