How can you live with yourselves if you do not support this? It would mean an unwanted baby is treated differently to wanted babies. Does this extend to other "unwanted" eg mentally ill or homeless people?

You would be inhumane not to pabcd this!

Please do recommend this.

Hello I am a Grandma

I am an absolutely shocked to the core that a living baby is left to die with no medical care or attention. What an inhumane society we must be to allow that.

Sincerely, [REDACTED]
