Public Submission by Vanessa Chiem.

I sincerely write hoping that you won't pabcd this new legislation. It might not be popular but in 50 years time it will be worth it.

Thank you so much for taking the time to read our requests.

To whom it may concern,

My name is Vanessa, and I live in Brisbane and am a data entry member for an Australian optical lab.

I believe in the value and sancabcdy of life. And that human beings are the most valuable thing, more than animals, quarrels, possessions.

Please consider using the authority you have to protect the least and little.

Sincerely, Vanessa Chiem
