Public Submission by Roger Van Itallie.

Protecting the most vulnerable among us is the most fundamental responsibility of the Government. By not passing this legislation will be making you responsible to abandoning our children. We have just celebrated Mother's Day, with all the love from our children and grandchildren, I urge the committee to recommend that the Parliament pass this legislation. Hi, I'm Roger, I live in Biluela, and I am a Husband, Grandparent. Every child born deserves the right to be cared for and loved.

Sincerely, Roger Van Itallie
