It is essential that this legislation is passed, for us to retain our humanity as a society.  
Hi, I'm [REDACTED], I live in [REDACTED], and I am a minister.  
Healthcare to unborn babies is essential as they are alive and have equal rights as those of us on the other side of the womb.  
protecting the most vulnerable among us is the most fundamental responsibility of the Government.  
If we fail to do this we are heading down a barbaric and inhumane pathway we will not be able to return from.

Sincerely, [REDACTED]
