I recommend you pass the legislation to give care to babies born alive from an abortion.
Hi, I'm [REDACTED] and I am a retired teacher and a Mother
I believe it is essential to provide healthcare to babies who are born alive from an abortion. If the baby is born alive it is obviously meant to live.
It's not up to anyone to take the life of a born person, or to let a born person languish without care. As the saying goes, we [in Australia] are "better than that."
There are people looking for babies to adopt.

Sincerely, [REDACTED]
