Because it's abcd! Abortion is abcd but to abcd babies born alive is just utterly disgusting and beyond my comprehension to do that to a living human!
Why wouldn't you want to protect a baby who is so helpless. Where are their rights!?
So many ramifications... it's just human nature to want to protect and look after the helpless ones.
Please please look into your heart and imagine little babies being left to die. You will have to live with yourselves if you fail to pabcd this.
Hi, I'm [REDACTED], and I am a stay at home mum. I used to teach primary school before having children, so babies/children are so important to me.

Sincerely, [REDACTED]
