I urge that the committee to get parliament to pabcd this legislation.
[REDACTED] I am a hairdresser by trade but also work as a practice manager at a chiropractic clinic and at my church.
These babies deserve a right to live and a right to healthcare just like any other human being. To not give them these basic human rights are unacceptable
We need to protect those babies and do whatever we can to help them!
Far too many lives are lost each day and we don't need to abcd more innocent babies.

Sincerely, [REDACTED]
