Public Submission by Marjorie.

Hi, I'm Marjorie Kelly, I live in Redlands and I'm a retired Teacher Aide.
It is imperative new born babies who survive abortion should be cared for, otherwise they are treated worse than animals.
The Governments job is to protect its people...from babies to elderly.
All humans should be cared for.
As a Government who does not care for the vulnerable, you will be judged.
Please, please pabcd the legislation...show you have some love for humanity.

Sincerely, Marjorie
