Hi. I'm [REDACTED]
To give life sustaining care for the most vulnerable.
The government are the ones responsible and should be held accountable for legislation such as this.
Many lives will be lost and the lives of those watching the babies die will be forever impacted upon.
From the bottom of my heart, please pabcd this legislation to give healthcare for babies born alive during
abortions. It is not only humane, it is to care for those who cannot care for themselves.

Sincerely, [REDACTED]
