Health and Environment Committee

Oral Briefing - 29 November 2021

QUESTION asked by the Member for Lytton (Ms Joan Pease MP) -

Data on privately insured patients in public facilities, including those electing to not use their private health insurance. Data by year, by HHS / facility, from 2011-12.

ANSWER

Data provided in Attachment 1 includes episodes of admitted patient care, episodes funded by private health insurance and publicly funded episodes with private hospital insurance, by Hospital and Health Service, facility and year, public hospitals, Queensland, 2011/2012 to 2020/2021 (preliminary).

BACKGROUND

Private health insurance is recorded as the source of funding for an admitted patient episode of care if used regardless of whether it is the majority source of funds.

Each episode of admitted patient care collects information to record if the patient has hospital level health insurance regardless of whether that insurance is used for the episode.

Episodes of admitted patient care by year, episodes funded by private health insurance^(c) and publicly funded episodes with private health insurance^(u), by Hospital and Health Service and facility, Public hospitals, Queensland, 2011/2012 to 2020/2021p.
