Subject: submission re extension of powers for CHO until September 2021
Categories: Submission

To whom it may concern

I strongly oppose the emergency powers being extended to the CHO until September 2021.

Her role should be to be a member of a team of expert advisers to the Premier so that she can make such rulings which take into account all aspects of the situation. This is supposed to be a democracy not a jurisdiction dictated to by an unelected person granted these draconian powers. Where is the accountability?

Yours sincerely
Elizabeth Worthington
