**From:** [REDACTED]  
**Sent:** Tuesday, 12 January 2021 1:08 PM  
**To:** Health and Environment Committee  
**Subject:** Public Health and Other Legislation (Extension of Expiring Provisions) Amendment 2020  
  
**Importance:** High  
  
**Categories:** Submission

To whom this may concern,

I OBJECT to the extension of the above bill including all Part, divisions and clauses within this bill.

I do not believe that in a parliamentary democracy a non elected member of the public should have unfettered powers.

With all due respect Jeanette Young is a GP with and administration background and not a scientist.

Sincerely  
Jernin Yates-Round
