To whom it may concern

My name is Anna St Claire and I am writing to express my strong opposition to Public Health and Other Legislation (Extension of Expiring Provisions) Amendment Bill 2020. I do not think that extending emergency powers to the chief health officer to be in the best interest of the Australian public.

I feel that enforcing hotel quarantine under armed guard is an extreme response and will cause lasting negative public reaction .

My email is [REDACTED] and my Mobile [REDACTED]

Sincerely

Anna St Claire
