Subject: Voluntary assisted dying bill

Dear Committee of consideration

We , my wife & I , are totally against this Bill , as it would eventually be able to be manipulated to the wishes of living people for purposes OTHER than the best interest of the patient concerned .

No matter the reasons behind this Bill, Life is Given to us by ONLY our Creator God , and should ONLY cease by the hand of our Creator God. To argue any other reason to premature death, is , and can only be a

Crime against the Sanctity of Life as given to each person .

Yours respectfully

David and Gillian Lowe
