**Comments in relation to:** Eligibility criteria\* ,The request and assessment process,Administration of the substance,Safeguards,Conscientious objection by either individuals or entities,Oversight and review

**Attachments:** No attachment

**Submitter Comments:**

People should have the right to end their life in a controlled fashion should life become to painful or poor quality.

It is cruel to allow a dog to suffer. Humans can take their own life, but there is stigma attached to that. This allows for a dignified end.

[REDACTED] hospice have been doing it for year. Thank goodness for that.

Proper oversight is essential.
