Submission No.: 63

Submitted by: John Lane

Publication: Making the submission and your name public

Position: I/We do not support the Voluntary Assisted Dying Bill

Comments in relation to: Eligibility criteria* ,Conscientious objection by either individuals or entities,Oversight and review

Attachments: No attachment

Submitter Comments:

The Death of any human being is in the hands of God. Any attempt to knowingly take a life is a crime against God and against common humanity. Palliative care is the only choice a Medico can take that is lawful, humane and without putting the killers soul in jeopardy.
