Submitted by: Margaret Downes
Publication: Making the submission and your name public
Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: Administration of the substance, Safeguards, Conscientious objection by either individuals or entities
Attachments: No attachment

Submitter Comments:

I realise this is not for everyone who has a terminal illness ,I honestly do believe those who do wish to use this form of dieing should be aloud to do so,MUST be able to administer the dosage by THEIR SELF . It is the only humane thing to do .
