Subject: Qld Voluntary Assisted Dying Bill 2021

I wish to advise my 100% support for the Qld Voluntary Assisted Dying Bill 2021 and I wish to see it made law.

I watched both my parents suffer in their final years and I would not wish their suffering on anyone.

We euthanise our loved animals out of love, the least we can do is allow the same choice for our loved ones and ourselves.

Warm regards and much sincerity
