Submitted by: Donna Greenslade
Publication: Making the submission and your name public
Position: I/We do not support the Voluntary Assisted Dying Bill
Comments in relation to: Eligibility criteria* ,Conscientious objection by either individuals or entities,Other
Attachments: No attachment

Submitter Comments:

If a person is dying they need palliative care. I have had both my mother and my 21yo daughter die at home comfortably because they received correct palliative care. With the government not giving adequate funding for palliative care but rather give an injection like we do to animals is outrageous as a human being can die with dignity if given palliative care.
