

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 222
Submitted by: Anthony Nielsen
Publication: Making the submission and your name public
Position: I/We do not support the Voluntary Assisted Dying Bill
Comments in relation to: Conscientious objection by either individuals or entities
Attachments: No attachment

Submitter Comments:

I believe this bill will create extra anxiety and or depression to elderly as they potentially will be implied to that they are a burden on the health system and their families.

This is not a good or fair bill to our elders, they deserve love, care and looking after. Thanks.
