Submitter Comments:

I hope that this bill will pass in the grounds of compassion,and there is no other reason when it comes to intolerable irreversible pain that medication can no longer alleviate the pain and certain death is inevitable , please take into consideration the consequences of Victoria's legislation and see where improvements can be made as well as taking into account the myths of coercion and suicide into account, this is not to be confused as a religious belief but a option for the few who suffer in the last remaining days of there life's
