Submitted by: Ian Robbins
Publication: Making the submission and your name public
Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: Eligibility criteria*
Attachments: No attachment

Submitter Comments:

Please consider advanced health directives in relation to Alzheimer's Dementia.
I support this because I believe it's important for there to be the choice of a legal option for people to end their own lives on their own terms for people who wish to do so, with safeguards.
