Re: So many problems with VAD Bill

Dear Health and Environment Committee,

I am deeply troubled by the Voluntary Assisted Dying 2021 Bill.

Suicide is murder. Assisting suicide is murder as well. Our criminal Code, for many years, has reflected this fact.

The Commandment, "Thou shalt not kill" (Exodus 20:13) is one of the Ten Commandments, which the whole world is aware of. No amount of politics and propaganda can change that. Nor does the "Almighty God", to Whom our founding fathers looked in framing the Commonwealth Constitution in 1900, turn a blind eye to the willful rejection of His eternal Moral Law, which was also written into our own law as far back as Alfred the Great.

I urge you to reject this wicked proposal, for the sake of all Queenslanders and Australians, and particularly because the Lord holds leaders of Church and State especially guilty for leading the people astray against Him.

Psalm 2,

10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth.

11 Serve the LORD with fear, and rejoice with trembling.

12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.

Sincerely in Christ's service,
Trevor W. Sullivan, Nanango.

Sincerely,
Trevor W Sullivan
