Submitter Comments:

"There has been five Terminal deaths in my family . All have been soul destroying to sit beside each precious one of them, watching them deteriorate before your eyes, SLOWLY day after day, knowing there is NOTHING YOU CAN DO. This was caused by a hereditary disease.

I DONT WANT TO INFLICT

THIS ON MY FAMILY. Please really think of what the public want, NOT what YOU PERSONALLY WANT.

We want a peaceful passing. Pallative Care was useless for my Mum. She shook her hand when my Stepdad tried to remove her ring. SO MUCH FOR BEING SEDATED. It was a joke.
