Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: Eligibility criteria* ,Safeguards
Attachments: No attachment

Submitter Comments:

Most humans do not wish to have a prolonged period of pain before death. If there is no hope of recovery I would wish for a process to be in place that would allow me to die with dignity and as little pain as possible and at a time of my wishing if possible. If not then when my family say so as I have expressed my desires to them often. I want quality of life not quantity of pain and suffering.
