Re: Submission to the Health Committee

Dear Health Committee Members,

Dear Committee Member

I strongly object to the assisted suicide bill currently on the table for the following reasons.:

1. There are no processes for mental health checks
2. No requirement for palliative care advise
3. Taking compassion to talk someone out of assisted suicide could lead to up to 7 years jail

These are just 3 reasons that show this bill to be both without compassion and heartless. Inhumane. Australia's suicide rate is horrendous. Please don't add new lives to this figure. Let's have compassion and love for people during the most difficult time.of their life.

Sincerely,
Vernett Lauridsen
