Re: I fully support the assisted dying law as do a huge majority of the community

Dear Health and Environment Committee,

I am a practicing Catholic and am horrified by the church's opposition to this law. It is purely ideology and more about control than compassion.

I have seen a terrible death, prolonged and inhumane. Palliative care was provided but they could not put a dent in the pain or other symptoms - drowning in their lung fluids and struggling to breath.

Just get on with it.

Sincerely,  
Damien Ahern
