

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 464
Submitted by: [REDACTED]
Publication: Making the submission public but withholding your name
Position: I/We do not support the Voluntary Assisted Dying Bill
Comments in relation to: Oversight and review, Other
Attachments: No attachment

Submitter Comments:

Briefly, I think passing this Bill will lead to an abuse of people's rights particularly the elderly, the disabled, the disadvantaged, as is well documented in other countries. There should be more focus on good palliative care and none on death brought about by health professionals who are trained to save lives and are now licenced to kill by abortion and euthanasia.

Where will this end? The legislators have a very heavy responsibility to stop this legislation being passed
