Re: Submission to the Health Committee

Dear Health Committee Members,

Euthanasia, quite bluntly, is killing someone! It's taking a life!

Instead, give those who need it, palliative care and the drugs that are needed to ease pain. It seems, correct me if I'm wrong, that if you're on drugs, you have unlimited access to drugs. Surely those in pain are at least deserving of the same right!

Sincerely,  
Denise Burke
