Re: Submission to the Health Committee

Dear Health Committee Members,

WHealth Committee members

Please vote against the so called Voluntary assisted dying bill.

There are too many concerns regarding this bill.

WE already rate amongst the highest in suicide. This is nothing but assisted suicide.

This bill will leave innocent and trusting people open to manipulation, elder abuse, incorrect diagnosis and/or prognosis and many other scary issues. You have the power to protect us through the health care system from all kinds of exploitations. I urge you to vote against this bill.

Thank you

Sincerely,
mogana moses
