Re: Submission to the Health Committee

Dear Health Committee Members,

You cannot be a Catholic, Christian or any religion and believe in Murder or that you can allow anyone to take their life: THOU SHALT NOT KILL.

Each Health Committee member that votes Yes to killing will have to answer to our final judge as to why they think they know better and risk being condemned for eternity:

Please I care for your soul and the souls that you are going to allow to Kill themselves

Please with pleading respect

Vote No and help save your soul, their soul and many other souls in the future.

Sincerely,
