Re: Submission to the Health Committee

Dear Health Committee Members,

This is an absolute disgrace and disgusting at best. Anyone who wishes to end their life needs love and support to the contrary.

We are in a society where we affirm everything that is wrong and shun anything that is good.

This bill is pure evil and anyone who affirms it, is from the same.

Where is the values and virtues of old? why are we on this slippery slope? Because we have rejected Gods word as a source of truth and are reverting back to a dark age of evil.

Stand up for what is right! silence in the face of evil is in itself, evil.

Sincerely,  
Jono Toweel
