Re: Submission to the Health Committee

Dear Health Committee Members,

I am writing to object to the assisted suicide bill that is trying to be passed into Queensland. I am totally against this bill and do not want to see it passed. It is very dangerous Bill which would lead to extra deaths in Queensland every year. It opens doors for abuse and wrong people being euthanased. Suicide is not the answer it is a cop out of responsibility.

Sincerely,
Mrs Dorothy Kay Walsh
