Re: Submission to the Health Committee

Dear Health Committee Members,

I am praying for our governing parties to cease spiralling down this path of callous disregard for Christian principles and to once again govern with wisdom & Truth. My concern is for my beloved Grandchildren and all who are witnessing erosion of value of life in the two latest acts proposed by parliament. This erosion is evidenced by the increasing number of suicides & abortions each year; "Our sole defence, our only weapon, is a life of integrity, whether we meet honour or dishonour, praise or blame... We are always 'going through it' yet never 'going under. We know sorrow, yet our joy is inextingule

Sincerely,
Janet St John Wood
