Re: Submission to the Health Committee

Dear Health Committee Members,

We beg you not to pass this Bill. My husband was given a prognosis of 12 months to live. That is now 31 years ago!! Imagine if we had have had "voluntary assisted dying" we would have deprived his 3 children of one of the greatest fathers on this earth, not to speak of the tragedy for myself. This is an abomination!! Please stop the killing

Sincerely,
BERNADETTE RUBY HAMMAR
