Re: Submission to the Health Committee

Dear Health Committee Members,

Hello, my email is [Jack.bainbrigge@gmail.com](mailto:Jack.bainbrigge@gmail.com)

Please look into what this bill is about. I am a carer and it's my job to keep my clients alive, not to have them kill themselves. Suicide has always been illegal in Australia and I volunteered with teenagers struggling with depression for 5 years, and it was my job to prevent them from taking their own precious life. Now if this bill passes, I will be forced to let them commit suicide! Please don't pass this bill. We will have many teenagers want to kill themselves! Please think of your own children as teenagers, what if they said they want to kill themselves with assisted suicide, and it was illegal for you to try talk them out of it... please think about that and please don't pass this bill.

Kind Regards, Jack Bainbrigge

Sincerely,  
Jack Bainbrigge
