Re: Submission to the Health Committee

Dear Health Committee Members,

Dear QLD Parliament Health Committee,

I am writing to you to voice my concern with the proposed and "dangerous" Assisted Suicide Bill.

I feel it is a Pandora's Box! I have many concerns about this Bill.

From a person not having to be seen by a Specialist to assess their mental health, to not enough Palliative Care Specialists and beds available in QLD and therefore feeling like they have no other choice but to choose assisted suicide.

Please don't allow this Bill to go ahead.

Please do not publish my name or my private details.

Thank You.

Kind Regards

Sincerely,

[REDACTED]
