Submitter Comments:

'Euthanasia' and 'assisted suicide' are not only contrary to the teachings of the Church but also the principle of 'do no harm' which has governed the medical profession forever. I support the many health professionals who say we should do all we can to protect Queenslanders rather than assist them in dying. We believe every Queenslanders has a right to high quality palliative care. Many members of parliament (MPs) say the Bill provides a 'choice'.
