Re: Submission to the Health Committee

Dear Health Committee Members,

How is it all right the Government to decide who should live and . We live in a Christian country and our standards up to now have been successful guideline to live by. What we need is more money for the old people not assisting them to suicide.

Sincerely,
Ann BEATTIE

Re: Submission to the Health Committee

Dear Health Committee Members,

I am totally against assisted suicide What gives any person or Government the right to kill people just because they are old. Old people may need the right to better care. It doesn't give the Government to legalise Assisted Suicide .

Sincerely,
Ann BEATTIE
