Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Sir,

I am opposed to this bill as "voluntary assisted dying" is really killing and i believe it would lead to the same problems it has in other countries where similar laws have been passed. It is the thin end of the wedge and the top of a slippery slope which leads to a devaluation of the sanctity of life and opposes God's command not to kill.

Sincerely, Mark Young.

Sincerely,
Mark Young
