Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

I am writing expressing my disagreement with the voluntary assisted dying bill. I work in health care and I can see that this bill would be very detrimental patients. Who are we to say that a person should live or die. Some people are also not in their right minds and cannot make calculated and reasonable decisions based on sound judgement. Please do not introduce this to Qld. I work in healthcare and I believe this is not health care but instead man slaughter/murder.

Sincerely,
Emily Tiavaasue
