Re: Voluntary Assisted Dying Bill 2021 - please vote for this bill

Dear Health and Environment Committee,

I am greatly concerned that the Voluntary Assisted Dying 2021 Bill will not get through. Health practitioners have brains and will not let a person commit suicide if they can have some QOL (Quality of Life) for their remaining time. To vote otherwise is disrespectful to the health workers who dedicate their lives to the welfare of others.

Sincerely,
Laura Gammon
