Subject: I oppose the "Voluntary Assisted Dying" Bill

Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Write your email here.

We oppose each and every point of this sad and ungodly bill. Please consider how you could go along with this bill and one day stand before a Holy Creator God, the only true giver and taker of life, with a clear conscience

Sincerely
Ian and Janelle Batten

Sincerely,
Ian and Janelle Batten
