

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 652
Submitted by: Sally Drechsel
Publication: Making the submission and your name public
Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: The request and assessment process
Attachments: No attachment

Submitter Comments:

I support the draft VAD Bill as it is. I demand that doctors must be able to use electronic means to communicate with each other and their patients regarding VAD so that Queenslanders who live in remote areas have access to VAD. People who own their own home in a retirement village must be able to access VAD in their own home.
